FOR IMMEDIATE RELEASE

RT TO HOST SOUTH LINE PHASE 2 STATION DESIGN MEETING

The Sacramento Regional Transit District (RT) will host a station design meeting for the South Line Phase 2 (SLP2) light rail extension on Thursday, July 16, 2009, from 6 p.m. to 7:30 p.m. at the Samuel C. Pannell Meadowview Community Center located at 2450 Meadowview Road in Sacramento.

RT staff will provide an update on the SLP2 light rail extension project, and conduct a Community Image Survey for attendees to provide input and rate the architectural design options under consideration for four new light rail stations: Morrison Creek, Franklin, Center Parkway and Cosumnes River College.

The SLP2 project will extend RT's light rail system by 4.3 miles from the current terminus at the Meadowview Station to Cosumnes River College and is scheduled to begin service in December 2012.

Attendees are encouraged to RSVP by calling the SLP2 project hotline at 916-491-5003. For more information, visit www.slp2.org.

For route, schedule and fare information, call 916-321-BUSS (2877) or visit www.sacrt.com.
